Compassionate Conversation

Craig Newnes is a Consulting Critical Psychologist, psychotherapist and a past chair of the *British Psychological Society Psychotherapy Section*, a dad, musician, author and garden-er. He was, for over twenty five years the Director of Psychological Therapies in Shropshire's NHS Mental Health Services, an author and editor of numerous books and articles. He has won two Human Rights awards for speaking out on behalf of people oppressed by traditional psychiatry and psychology services. His latest books are *Inscription, Diagnosis and Deception in the Mental Health Industry: How Psy governs us all* (Palgrave) and *A Critical A-Z of Electroshock* (Real Press) – described as the “most pro-found examination of how psychology is based on nonsense and psychiatry just hurts people.” For those that know reality is better to be found in literature try his novels, *Tearagh't or Paris* (Real Press via Amazon). You can Google him.

He offers a local confidential service that will help you change the things that are possi-ble to change and supervision of therapeutic practice. Session fees are based on what people can afford and through barter. Contact him on

"Behaviour and attendance are of a very high standard. Pupils live out the school's Christian values, 'Growing, learning and living in the love of God'. Parents spoken to were overwhelmingly positive about the school and your leadership. Pupils and Parents welcomed the extensive curriculum, which offers pupils of all ages numerous indoor and outdoor experiences. The forest school is especially popular and contributes to the consistently high outcomes achieved in science."

Pastoral Letter

At this difficult time, let's be honest, we're all feeling scared. Life as we know it has changed, hopefully not for too long, in the midst of this huge crisis, this 'enemy' as Boris Johnston put it, but the question I want to ask is, 'Are we going to let it defeat us?'

We've been told on TV that we can beat it, if we follow all the given guidelines and if pull together. This attitude follows what the Bible teaches us about being united in love, as one body, each looking out for the other, not putting self first.

So, how can this work in practical terms, when we're not even allowed to meet each other? Modern technology helps some of us keep in touch and I do hope you at least have a working telephone connection and will call someone if you're feeling lonely. My number is 291390 if Jo or I can be a friendly listening ear. Or, perhaps you are feeling strong enough yourself to give an isolated neighbour a call?

If you can do your own shopping, perhaps you'll think about just buying what you need, not too much, so there is enough left on the shelves for others. Perhaps you may consider dropping off some supplies at the door of a more vulnerable neighbour who can't get out.

The Bible tells us repeatedly not to be afraid, not to worry and at such a time as this it's a big challenge to trust those words, but we must try, taking each day as it comes, looking for something good in each moment, and

being ready to respond in love to whatever needs arise.
*'We depend on the Lord alone to save us.
 Only he can help us, protecting us like a shield.
 In him our hearts rejoice,
 For we are trusting in his holy name.
 Let your unfailing love surround us, Lord,
 For our hope is in you alone.'*

from Psalm 33

Do you love Shrewsbury?

Do you like telling others about it? You could be the perfect town ambassador! Following a successful first year in 2019, we are now looking to recruit volunteers for the Original Shrewsbury Ambassadors 2020 program to help visitors discover the wonderful hidden gems our town has to offer. Ambassadors are active on Saturdays (10am – 2.30pm) and Sundays (11am – 2.30pm) from April to September and there is plenty of flexibility around how much or how little time you are able to give.

Based out of Shrewsbury Museum's Volunteer Hub, with support from the Visitor Information Centre, the aim of the Ambassadors is to provide visitors to Shrewsbury with a warm welcome and a wide range of information, supplying their invaluable local knowledge to help visitors make the most of everything the town has to offer, from independent and national retail, bars, restaurants, pubs, hotels, river attractions, museums, theatre, guided tours and of course the fantastic history of the town.

Town ambassadors will be the face of Shrewsbury, and a very important welcome to the town for visitors. Why not get involved and be part of something special?

MYDDLE, BROUGHTON & HARMER HILL PARISH COUNCIL

The March meeting of the Council took place in Harmer Hill Village Hall on March 4th. when much of the meeting was devoted to issues related to road safety.

The Chairman reported that in an attempt to curb speed through Myddle, two new Roadside Data recording VAS units had been purchased and would be erected at sites on Baschurch Road. The units would support the work being carried out by the volunteers running the Community Speed Watch project, who had achieved positive results but were seeking to recruit additional members.

A report from the County Road Safety Officer had indicated that he had secured additional funding and was hoping to proceed with safety measures at the junction of the A528 and Newton Lane and the extension of the 30mph speed limit in Lower Road, Harmer Hill.

In response to continued complaints about pot holes and the condition of many local roads, Shropshire Councillor Brian Williams stated that the employment of a Consultant was already having positive results and a full report would soon be available for distribution to Parishes.

Other items considered were reports on the success of the Community Environment Project, where Mr. Marco Busi was carrying out some excellent and well needed improvement work and a review of Shropshire Council's revised Place Plan for the Parish.

It was noted that Shropshire Council had issued an enforcement order on the development which was taking place on land adjacent to Myddle Reservoir and would be progressing this over the next few weeks.

Full details of the meeting are in the draft minutes which can be found on the Council's web site -www.myddleandbroughton-pc.gov.uk

The next meeting of the Parish Council in Myddle Village Hall has been cancelled.
